General Terms and Conditions of Sale

ALL ORDERS, OFFERS, ACCEPTANCES, CONFIRMATIONS, CONTRACTS, SHIPMENTS OR SALES RELATING TO THIS TRANSACTION INCLUDE AND ARE SUBJECT TO THE FOLLOWING GENERAL TERMS AND CONDITIONS OF SALE BETWEEN **AFP METAL PRODUCTS** (HEREINAFTER "SELLER") AND THE **CUSTOMER** (HEREINAFTER "BUYER").

PRICE DATA

1. All prices and delivery terms are subject to change without prior notice. All goods will be invoiced at price in effect at time of shipment, whether or not Buyer is in possession of a price book or price sheet reflecting prices different than in effect at time of shipment and not withstanding prior quotations and/or acknowledgements with a different price.
2. Any tax or other government charge upon production, sale or shipment of goods imposed by Federal, State or Municipal authorities shall be charged to and paid by the Buyer in addition to the purchase price.
3. All prices are F.O.B. Seller's point of shipment unless otherwise specified. Upon due tender of the goods for delivery at the F.O.B. point, all risks or loss or damage to Buyer, regardless of terms of payment or form of bill of lading, or the mode of shipment, or who pays the actual transportation charges.
4. All prices cover only material considered by the Seller as commercial with regard to tolerances, sizes, finishes, properties and domestic packaging.

VERBAL ORDERS

5. Buyer assumes responsibility for the accuracy of verbal orders unless written confirmation is received prior to fabrication. Confirming orders must be marked "confirming order—do not duplicate".

PAYMENT AND CREDIT TERMS

6. Net Cash thirty (30) days from date of invoice, subject to approval of the treasurer, unless otherwise specified.
7. Seller may refuse, change or withdraw extensions of credit at any time in its sole discretion. Seller shall have the right to demand payment on delivery of the goods or prior to shipment of the goods to the extent it deems advisable, to refuse, change or withdraw extensions of credit.
8. Produced orders may be shipped and invoiced after 4 weeks have elapsed.

WARRANTY OR GUARANTY AND REMEDIES

9. Seller warrants that title to the products conveyed shall be free of any encumbrances. Seller's products sold hereunder are guaranteed for a period of ninety (90) days from the date of delivery to the Buyer to be free of defects in material and workmanship.
10. Any claim on account of a defect in the product or for any other cause whatsoever shall be deemed WAIVED by Buyer unless written notice thereof is given to Seller within ninety (90) days after delivery. Seller shall be given reasonable opportunity to investigate all claims and no products shall be returned to Seller until after inspection and approval by Seller and receipt by Buyer of written shipping instructions from seller.
11. If it is determined to Seller's reasonable satisfaction, upon inspection, that a product is defective, Seller shall have the right to either repair or replace such product, to refund the purchase price upon return of such product, or to grant a reasonable allowance on account of such defect. Seller's liability and Buyer's exclusive remedy under this warranty or guaranty shall be limited to replacement, repair, refund, or allowance, as Seller may elect.
12. This guaranty or warranty is IN LIEU OF and EXCLUDES all other warranties, expressed or implied by operation of law or otherwise including any warranty of MERCHANTABILITY or that the goods can be used FOR ANY PARTICULAR PURPOSE desired by Buyer. Seller DISCLAIMS and Buyer WAIVES all remedies not provided herein including any liability of Seller in tort, strict or otherwise, for damages or injuries to persons or property, or for loss of use, revenue or profit, whether direct, incidental or consequential, resulting from any defect in design, material, workmanship or manufacture, whether or not caused by negligence on the part of the Seller. Oral statements made by Seller's representatives about the products and written descriptions of the products appearing elsewhere than on the face hereof are not warranties and shall not be relied upon by Buyer. This writing constitutes the final, complete, and exclusive expression of the terms of the parties' agreement.

**General Terms and
Conditions of Sale**

TRANSFERS, ASSIGNMENTS AND REPRESENTATIONS

13. This guaranty or warranty is extended to Buyer as the original purchaser from Seller and is non-transferable and non-assignable. No rights against Seller shall be created by any transfer or assignment, nor shall any rights against Seller survive any transfer or assignment. Buyer or its agents or representatives shall not claim, represent or imply nor permit its customers, distributors, applicators or contractors to claim represent or imply that this guaranty or warranty extends or is available to parties other than Buyer, and to the limit of its legal right to do so Buyer shall cause any party to cease and desist of any such misrepresentation. This condition shall constitute a material term of this guaranty or warranty and its violation by Buyer shall excuse Seller from its obligations hereunder.

DELAY

14. Seller shall be excused for any delay in deliveries due to acts beyond its control and not due to its fault or negligence, including but not restricted to acts of God, or of the Public Enemy; acts of government of the United States (including but not in limitation thereof, any preference, priority or allocation order) or of any state, territory, or possession thereof, or of any political sub-division of authority or representatives of any of them, strikes, lock-outs, or labor troubles; embargoes, fires, floods, epidemics, quarantine restrictions, failure of delivery of materials to Seller, explosions, sabotage, or other catastrophes or serious accidents, freight embargoes, unusually severe weather and delays of a supplier of material or of a sub-contractor due to any of such causes. Seller may, at its option, cancel this order, or delay performance hereunder for any period reasonably necessary due to any of the foregoing, during which time this agreement shall remain in full force and effect. Seller shall have the further right to then allocate its available materials and products between its own end uses and its customers in such manner as Seller may consider equitable.

DEFAULT

15. Each shipment hereunder shall be deemed a separate contract and if Buyer fails to pay any invoice when due, or fails to accept any shipment as scheduled, Seller may, without prejudice to other remedies, either defer further shipment until the default is corrected or cancel the unfilled portion of this order and of any or all other orders. Seller's waiver of any provisions herein or any breach thereof shall not constitute a waiver of any subsequent breach nor of any other provision herein.

RESTOCKING CHARGES

16. In the event an order is canceled or changed by the Buyer after manufacture or production, Buyer shall pay to Seller a fee equal to 15% (fifteen percent) of the agreed to price for goods and services ordered. Such fee shall be in particular consideration for Seller's processing and handling of the order and restocking expense and shall not be construed as liquidated damages. This shall be in addition to all other remedies Seller may have under applicable law by reason of any such cancellation by Buyer. In the event an order for a custom color or lengths is canceled by the Buyer after manufactured or produced, Buyer shall pay to Seller a fee equal to 100% of the agreed to price.

INTEREST CHARGES

17. In the event that an order is delayed for 60 (sixty) days or more beyond the original scheduled release date, the Buyer shall pay to Seller 1% (one) of the material sale price for each additional 30-day delay period. Such fee will be in particular consideration for Seller's inventory carrying charges and shall not be construed as liquidated and shall be in addition to all other remedies Seller may have under applicable law by reason of any such delays or cancellations by Buyer.

SPECIAL TOOL CHARGES

18. Any equipment provided by Seller for use in production of products for Buyer shall be Seller's property. Seller shall have no liability for loss or damage of any material or equipment provided by Buyer, and if for 3 (three) years Buyer does not order products manufactured with any such materials or equipment, Seller shall be free to dispose thereof.

General Terms and Conditions of Sale

TOLERANCES

19. Tolerances will be in accordance with Seller's published standards in effect on the date of order or any then applicable industry standards for the goods if Seller has no published standards.

JURISDICTION

20. Any contracts arising out of Buyer's order shall be governed as to all matters affecting its validity, construction or performance per the laws of the State of California.

ENTIRE AGREEMENT

21. The terms and conditions of any contract arising from Buyer's order are these GENERAL TERMS AND CONDITIONS OF SALE which cannot be expanded or altered in any manner except in writing signed by both Buyer and Seller.

WHITTIER, CALIFORNIA

GENERAL PRICING NOTES

1. Cutting charges may apply—see profile sheet.
2. Prices apply to quantities ordered by projects for production at one time with shipment to one destination. Pricing for new orders will be based on the quantity of the order. Additions to existing orders which can be produced with the original order can be combined for appropriate bracket pricing.
3. Quotations are based on all quantities noted for all items and does not apply for lesser quantities or if order does not include all items noted.
4. Non-stock or special project materials will be ordered based on the customer's purchase order quantities. When the actual cut list requirements are less than the customer's estimated quantities by 3% or more, excess product will be charged back to the customer's account.

FREIGHT TERMS

1. Quotations are applicable for panel lengths less than 40' 0".
2. All panel lengths exceeding 40' 0" are subject to special freight quotation conditions and rates.
3. All product/panel lengths exceeding 25' 1" must be shipped as, and subject to T/L (truckload) rates.
4. Weight per skid is AFP Metal Products option. Normal skid weights are 2,000 lbs to 4,000 lbs, but may vary by product, length and order quantity.
5. All accessory items (I.e. fasteners, closures, sealants, etc.) shipped alone will be sold FOB shipping point with no freight allowed.
6. All stop-offs in transit will be invoiced to the Buyer.
7. Total quantity of truckloads required is dependent upon panel profile, panel lengths and accessory items required.
8. The customer will be charged \$200.00 for all jobsite deliveries within a 75 mile radius of the plant. If outside of the 75 mile radius the customer will be charged \$250.00 + \$2.50/mile.

FREIGHT CONDITIONS

1. The agency method and routing will be designated by AFP Metal Products. Any excess transportation costs (other than the lowest published truckload rate) shipping or packing, designated by the Buyer, where customer of the shipment is taken shall be the Buyer's expense. If the Buyer picks up products in a vehicle under his control, Buyer's vehicle becomes the destination.
2. Upon due tender of products at the FOB point, all risk of loss or damage or other incidents of ownership pass to the Buyer, but seller retains a security in the products until the purchase price is paid.
3. Special packaging requests will be subject to additional charges.

GENERAL NOTES

1. Oil canning is not considered cause for rejection.
2. Buyer assumes responsibility for the accuracy of verbal orders unless written confirmation is received prior to fabrication. Confirming order must be marked "Confirming order—do not duplicate". Verbal orders which purport to state terms and conditions in addition to AFP Metal Products written terms and conditions stated herein, are deemed rejected and void unless agreed to in writing by AFP Metal Products prior to shipment of goods.
3. Due to product improvements, changes and other factors, AFP Metal Products reserves the right to change or delete information herein without prior notice or obligation to make changes in products previously purchased.

NOTES:

1. Product is defined as being steel roofing, siding, fascia and soffit of the same finish, gauge and configuration. Only length may vary.
2. A "square" is defined as 100 square feet of sheet based on overall width and length.
3. Steel is defined as galvanized or galvalume steel (bare or painted).
4. Destination is limited to within the continental United States excluding Alaska and Hawaii. All other destinations and/or freight charges are subject to inquiry.
5. Some panels are manufactured with stiffener ribs in the flat areas to minimize oil canning. However, due to the limitations of commercially available metals, some oil canning should be anticipated. Any oil canning experienced in AFP Metal Products will not be considered cause for rejection.
